*Subject: Letter of Interest/Support for I-SharE LIFE - Innovative sharing solutions for full electric travels in small and medium size urban areas*

Regione Lazio - Direzione Regionale Territorio, Urbanistica e Mobilità has been informed by Associated Beneficiary Poliedra about the contents and the actions proposed by the I-SharE LIFE proposal, which promotes and tests the use of innovative models of services of electric car sharing in small to mid-sized urban areas, and we would like to express our interest in this project and our willingness to be informed about its activities, to take part in meetings, and try to contribute to our best extent to the foreseen project activities in terms of feedback and communication.

Regione Lazio is interested in being involved in the project, in quality of observer/stakeholder, as we consider this project to be in line with some of our activities and mission, most namely as regards the policies and interventions on the issue of sustainable mobility and mitigation of emission of greenhouse gases and pollutants from road transport. Among several EU-cofunded project Regione Lazio is a partner of, the Direzione Regionale Territorio, Urbanistica e Mobilità is partner with Poliedra in Interreg Europe project 2017-2021 Prometeus, that aims at promoting electric mobility in European Regions.

We are looking forward to a fruitful cooperation.

Sincerely,

*Maryela Mazzetti*  
(Head of Directorate)
