c.a. Dott.ssa Elisabetta Tromellini

Subject – Declaration of interest for the project I-SharE LIFE – Innovative sharing solutions for full electric travels in small medium size urban areas

With reference to the subject, this Directorate General has been informed by Coordinating Beneficiary FNM S.p.A. about the contents and the actions of the I-SharE LIFE proposal, and considering that:

- The I-SharE LIFE proposal promotes and tests the use of innovative models of services of electric car sharing in small to mid-sized urban areas,
- sharing mobility is a relevant policy of sustainable mobility for the mitigation of emissions of greenhouse gases and pollutants,
- the reduction of greenhouse gases and pollutants from road transport is one of the main objectives of the National Strategy for Sustainable Development within the UN Agenda for Climate and Environment,

is interested in supporting the objectives and the actions of the I-SharE LIFE proposal, and in particular we are interested in evaluating the results of the project providing our feedback, and if remarkable, in disseminating the results through the institutional channels.
