I-SharE LIFE

Innovative sharing solutions for full electric travels in small and medium size urban areas

This project has received funding from the European Union's LIFE programme under Grant Agreement n.° LIFE17 ENV/IT/000212 I-SharE LIFE

The diagram illustrates the I-SharE LIFE project concept. On the left, a stylized green leaf with a plug at its base is connected to a red battery. The text reads: **I-SharE LIFE**
Innovative sharing solutions
for full electric travels
in small and medium size urban areas.

The central diagram shows a 'HUB-RAILWAY STATION' with a train icon. It is connected to various urban nodes: 'HOUSE', 'BUSINESS COMPANY', 'HOSPITAL', and 'PUBLIC ADMINISTRATION'. Each node is linked to a 'sharing parking' icon, representing the sharing of electric vehicles. The nodes are arranged in a circular pattern around the central hub.

This project has received funding from European Union's Life Programme under Grant Agreement N° LIFE 17 ENV/IT/000212 I-SharE LIFE
